Please add names and addresses of two persons (**not** from the receiving institute) from whom confidential scientific references will be requested. One of the referees should be your PhD supervisor. **Add this information as soon as possible** - even if you have not completed the rest of your application. The system will send an automatic request email to your referees soon after you mark the corresponding "Activate referee" checkbox. Confirm with your referees that they receive this email, otherwise contact fellowships@embo.org.

PLEASE NOTE: Both references need to be received by the submission deadline of 15 February.

NAME AND ADDRESS OF REFEREE 1

Title* Mr Mrs Ms Dr Prof.

First name* Last name*

Is this referee your PhD supervisor? (Note: one of your letters of reference should come from your PhD supervisor.)

Yes No

Address* Telephone number

 Fax number

 Email address*

Town* Post code*

Country*

IMPORTANT: If the option "Activate this referee" (below) is checked, and if you have entered a name and email address above, the system will send an email request for a letter of reference to this person. **Please note that you will no longer be able to change name or email address of the referee after the form has been saved with the "Activate this referee" option selected.** Contact fellowships@embo.org if you need assistance modifying this information.

Activate referee 1*

NAME AND ADDRESS OF REFEREE 2

Title* Mr Mrs Ms Dr Prof.

First name* Last name*

Is this referee your PhD supervisor? Yes No

Address* Telephone number

 Fax number

 Email address*

Town* Post code*

Country*

IMPORTANT: If the option "Activate this referee" (below) is checked, and if you have entered a name and email address above, the system will send an email request for a letter of reference to this person. **Please note that you will no longer be able to change name or email address of the referee after the form has been saved with the "Activate this referee" option selected.** Contact fellowships@embo.org if you need assistance modifying this information.

Please add the name and address of the receiving institute supervisor, from whom an acceptance letter will be requested. **Add this information as soon as possible** - even if you have not completed the rest of your application. The system will send an automatic email of request to your proposed supervisor.

The receiving institute acceptance form should only be submitted online; no hard copies are required.

Check with your receiving institute that they received this email, otherwise contact fellowships@embo.org.

PLEASE NOTE: The receiving institute acceptance needs to be received by the submission deadline of 15 February.

JUSTIFICATION

FORMATTING GUIDELINES FOR REFERENCES:

- (i) Include the complete list of authors followed by full titles, journal, year, volume and pages;
- (ii) Add an asterisk (*) behind your host supervisor's name in the authors' list;
- (iii) Use "... " or "et al." ONLY if there are more than 20 authors; in that case, be sure to include all relevant first and corresponding/senior authors.

Formatting example: Thiru A, Nietlispach D, Mott HR*, Okuwaki M, Lyon D, Nielsen PR, ... Laue ED. Structural basis of HP1/PXVXL motif peptide interactions and HP1 localisation to heterochromatin. EMBO J. (2004) 23: 489-499

Please list 3 key publications of the host laboratory in the area of your proposed research.*

Please briefly describe your personal motivation to choose this particular laboratory for your postdoctoral training.*

PROPOSED WORK

Project title*

Summary of the proposed research*

Please provide a 200-word summary of the proposed activity.

0 / 200 Words

Biological significance of the proposed research*

Please provide a 200-word summary description the biological significance of the project.

0 / 200 Words

Proposed work at the receiving institute*

Please provide a synopsis of the proposed activity at the receiving institute. This must be written by the applicant and may not exceed 1,500 words. Do NOT include a list of referenced literature in this place but use the following field instead.

0 / 1500 Words

Literature references for proposed work

Use this space for a complete list of references for the above proposal, including full bibliographic details.

Keywords*

List 5 short keyword terms to describe the proposed research. Separate those terms with " / ". (max 50 words)

0 / 50 Words

Area of research*

Choose a subject area

Proposed starting date of the fellowship*

This should be between 1 July 2012 and 15 February 2013 (Format: dd/mm/yyyy)

Proposed duration of the project*

In months

Does your proposal include research on human embryonic stem cells or any other human material?*

Yes No

In case of yes please specify*

Does your proposal include research on animals?*

Yes No

In case of yes please specify

Explain why this specific animal model was selected for the research project, explain the advantages of the animal model compared to alternative not-animal based models, provide information about the number of animals that will be used during the project. In addition, please describe procedures that will be put in place in order to minimize any suffering of animals.

Does your proposal include any type of research that may have an ethical impact, following the checklist of FP7 rules displayed on Cordis (http://cordis.europa.eu/fp7/ethics_en.html)?*

Yes No

In case of yes please specify

RESEARCH EXPERIENCE

Please list, in **reverse chronological order**, your research training and positions held, **since (and including) your PhD research**. State the duration, kind of training or position, the research topic, the supervisor, and the institute, if applicable.

Academic research training and positions held, since (and including) your PhD research*

EDUCATION

Please list, in **reverse chronological order**, your education and training **prior to your PhD work, starting from the beginning of your university (or equivalent) studies**. Please state the duration, the university, major subjects, and the degrees obtained, if applicable. Do not list the stages of your pre-university education. You may, however, include here any professional, non-academic positions held in the past, as well as any relevant fellowships and awards you have previously received

Education and training prior to your PhD work, starting from the beginning of your university (or equivalent) studies*

PUBLICATIONS

FORMATTING GUIDELINES FOR REFERENCES:

- (i) Include the complete list of authors followed by full titles, journal, year, volume and pages;
- (ii) Add an asterisk (*) behind your own name in the authors' list;
- (iii) In the case of shared first authorship with equal contributions, please keep the order of authors as they appear on the original publication and add a statement like "(AG and FT contributed equally to this work)" underneath the reference;
- (iv) Use "... " or "et al." ONLY if there are more than 20 authors; in that case, be sure to include all relevant first and corresponding/senior authors.

Formatting example: Thiru A, Nietlispach D, Mott HR*, Okuwaki M, Lyon D, Nielsen PR, ... Laue ED. Structural basis of HP1/PXVXL motif peptide interactions and HP1 localisation to heterochromatin. EMBO J. (2004) 23: 489-499

Number of publications in international peer-reviewed journals (excluding review articles or manuscripts submitted or in preparation)*

Number of first author publications in international peer-reviewed journals (excluding review articles)*

List your three (3) most important peer-reviewed publications in international journals (excluding review articles or manuscripts submitted, in revision or in preparation), in **reverse chronological order**

List any **additional** (co-) authored, peer-reviewed publications in international journals (excluding review articles or manuscripts submitted, in revision or in preparation), in **reverse chronological order**

List your (co-) authored publications belonging to the category of review articles, viewpoints, etc.

List awards you have previously received
