

7th EMBL/EMBO Joint Conference 2006 Programme

GENES, BRAIN / MIND AND BEHAVIOR

Friday, 3 November

08:00-08:45 Registration

08:45-09:00 Welcome address (Frank Gannon, Executive Director, EMBO)

Session I: Genes and behavior

Chair: Erik Parens, The Hastings Centre, N.Y.

Lectures:

- | | |
|-------------|--|
| 09:00-09:30 | Barry Dickson, IMP, Vienna |
| 09:30-10:00 | Jeff Hall, Brandeis University, Waltham |
| 10:00-10:30 | Ulrike Heberlein, UCSF |
| 10:30-11:00 | Coffee break |
| 11:00-11:30 | Turhan Canli, Stony Brook University, New York |
| 11:30-12:00 | Pierre Roubertoux, CNRS, Marseille |
| 12:00-13:30 | Lunch break |

Session II: From genes to brain / mind

Chair: Hannah Monyer, Department of Clinical Neurobiology, University of Heidelberg

- | | |
|-------------|--|
| 13:30-14:00 | Wolf Singer, MPI für Hirnforschung, Frankfurt |
| 14:00-14:30 | Jean-Pierre Changeux, Collège de France, Paris |
| 14:30-15:00 | Isabelle Mansuy, Brain Research Institute, University of Zürich/ETHZ |
| 15:00-15:30 | Rava A. da Silveira, École Normale Supérieure, Paris |
| 15:30-16:00 | Thomas Metzinger, Johannes Gutenberg-Universität, Mainz |
| 16:00-16:30 | Coffee break |

16:30-18:30 Panel discussion

Chair: Nikos Logothetis, MPI for Biological Cybernetics, Tübingen:

- Klaus-Peter Lesch, University of Würzburg
- Cornelius Gross, EMBL Monterotondo
- Petra Stoerig, University of Düsseldorf
- Steven Rose, Open University, London

19:00-21:00 Conference banquet

21:00-22:30 After-dinner session

- EMBO Award for communication in the Life Sciences
- *Branco Weiss* special lecture: Anne Harrington

Saturday, 4 November

Session III: The mind/body shop: behavioral drugs and new neurotechnologies

Chair: Rainer Spanagel, Institute of Mental Health, Mannheim

09:00-09:30 Thomas Dierks, Univ. Hospital for Clinical Psychiatry
Waldau
09:30-10:00 Lars Sundstrom, CSO of Capsant Neurotechnologies,
Southampton
10:00-10:30 Michael Kosfeld, University of Zürich
10:30-11:00 **Coffee break**
11:00-11:30 Ilina Singh, BIOS – London School of Economics
11:30-12:00 Paul Root Wolpe, University of Pennsylvania

12:00-13:30 **Lunch break**

Session IV: From ‘genethics’ to ‘neuroethics’?

Chair: Alexandre Quintanilha, Institute for Molecular and Cell Biology,
Porto

13:30-14:00 Adina Roskies, Dartmouth College, Hanover, U.S.
14:00-14:30 Judy Illes, Stanford University, School of Medicine
14:30-15:00 Erik Parens, The Hastings Centre, N.Y.
15:00-15:30 Raymond G. DeVries, University of Minnesota
15:30-16:00 Jackie Leach Scully, Institute for the History and
Epistemology of Medicine, Basel

16:00-16:30 **Coffee break**

16:30-18:30 **Panel discussion**

Chair: Nikolas Rose, BIOS – London School of Economics, London

- Alison Abbott, Nature, Germany
- Martha J. Farah, University of Pennsylvania
- Jörg Naumann, Deutsches Hygiene-Museum, Dresden
- Turhan Canli, Stony Brook University, New York

18:30-18:45 **Closing remarks** (Iain Mattaj, Director General, EMBL)
